

Ochre Park

Summer 2022

Message from the Principal

Summer break has finally arrived! The month of June has been filled with events, field trips and wonderful memories to close out the school year. It is often at this time of year that both students and staff (and perhaps parents too) have mixed emotions. We are happy that it is over and we get to enjoy some time away, but we are also sad to be leaving those around us behind. This was especially true for the grade 4 class, as they said farewell to Ochre Park School and will be moving onto a new school. A ceremony was held to signify the end of one chapter and the start of another. We also held a ceremony for our two kindergarten classes, as they will enter our school full days next year as they move to grade 1. We wrapped up our school year on June 29 with our annual Red and White day, which is our own celebration of Canada Day. Leo the Lion and members of the Lions club joined us and provided small Canadian flags to our gr. 1 students. We also had a BBQ lunch courtesy of Pembina Pipelines. We thank both the Lions and Pembina Pipelines for their generosity and support. We capped the day and year off with our year-end awards. We congratulate all the winners and encourage everyone to continue to strive to do their best as we move forward.

Students always enjoy field trips and this year was extra special, as we were able to return to the wonderful experiences we have grown accustomed to. Our students got to go swimming with their classes and our gr. 1-4 students were able to go to Fort Edmonton. Our ECS students took in the St. Albert Children's Festival as well as a trip to Finnegan Farms. A recent highlight for our gr. 1-4 students was a trip to the Sturgeon Public Schools Outdoor Classroom. Students were able to partake in various Indigenous Games and had a wonderful experience in nature. We capped the day off with some friendly games of tug of war. The staff even took on the volunteers in one of the matches! We would like to thank the Ochre Park Parent Society for their financial support. They covered the \$7/student cost for insurance and the cost of our lunch that day. We would also like to thank Sturgeon Public Schools for covering the cost of bussing for the day.

As we shift into the summer months, a sense of relaxation, fun and excitement will begin to set in for everyone. We have all worked very hard throughout the school year and we all deserve a break... students, parents and staff! I would like to thank everyone for their dedication to making this as good a year as it could be. We have a few staffing changes that are taking place as we move to the 2022/2023 school year. Alison Clement has been with us much of this school year, teaching ECS. We are anticipating the return of Geneva Fossen for the start of the school year and would like to thank Mrs. Clement for all her help in guiding our ECS students. We would also like to thank Katherine Boldt, an Educational Assistant who has been working in our ECS classroom. We are anticipating the return of Trisha Hurst at the start of the school year. We would like to thank Katherine for all she has done for the students she has supported and the entire ECS classroom. Finally, we would like to thank Lindsay Conroy, an Educational Assistant who has been working to support a student in our school. We would like to thank Lindsay for all her hard work and dedication to supporting the students of Ochre Park School.

As we prepare for the 2022/2023 school year, our numbers appear to be slightly on the rise in some areas. This is always a welcome sight, as it allows us stability in our preparations. This is what we are planning for in terms of our classes next year:

Pre-K (am only) - Tarra Larson (Modien)
K1/K2 - Geneva Fossen
Grade 1SL - Shannon Stadnyk/Tarra Larson (Modien)
Grade 1G - Cindy Goertzen
Grade 2B - Marlo Berezan
Grade 2T - Jolene Tchir
Grade 3W - Kjersti Wytrykush
Grade 4G - Heather Gillison
Grade 4S - Marina Shenfield

We will also have various support staff in key positions in our school. Stay tuned for more information regarding our entire staff when we resume classes in the fall.

On a final note, I would like to take this opportunity to thank all the families of Ochre Park School. Thank you, the parents, for all your help and support for your children and their education. We strongly believe that having home and school working together, we can make great things happen for our students. I would like to wish everyone a wonderful and restful summer, filled with many great memories and some fun as well! We look forward to seeing you all again for another great school year in 2022/2023.

Mr. Anhorn
Principal

Counsellor's Corner

THANK YOU, THANK YOU, THANK YOU!!! Thank you to all the students, staff, and especially our volunteers who made our day at the Outdoor Classroom a huge success. We could not have done it without everyone chipping in so our students could enjoy time to learn and connect with nature.

Have a wonderful summer!

Sincerely,

Mrs. Geleta
