## Did You Know?

- **Safety First!** We are improving our safety measures in the event we need to evacuate the building (for example, a fire bell). Every classroom has been provided an Emergency Backpack filled with enough touques, mittens, and socks for our Little Owls. We have also included emergency blankets. We hope we never have to use them, but we will do our best to keep our Little Owls warm should we need to quickly and unexpectedly evacuate the building in cold weather.
- **Ochre Park School Spirit Wear School Store!** Our school store is open for only one more week! If you want to order some school gear, please head to our school website (link at the top of this letter) and click the live link at the top of the page. **The school store closes Feb. 18.**
- **Parent Engagement Night!** Our Parent Engagement Night is on **February 22** from 6:30 pm - 7:30 pm at Redwater School. We are asking parents to come and share their thoughts and insights **directly with members of the Sturgeon Public School Division Board of Trustees and Senior Leadership Team Members** about different topics including:
  - priority areas moving forward,
  - building and supporting good citizenship,
  - what's working well and areas to grow,
  - and sharing your feedback as to what's important to you as parents and guardians.
 Light refreshments will be available. **Please consider coming and spending an hour with us to share your valuable wisdom and insights.**
