Did you know?

- **Ochre Park School Assessment Plan** Our [Assessment Plan](#) is complete and now posted on our Ochre Park School Website. This plan details what assessment is, its different types and uses; responsibilities of staff, students, and parents/guardians; how your child is assessed; and how your child's progress and learning are communicated. Much of this information has been communicated in different ways throughout this year- it has now been formalized into one, easily accessible document.
- **Reading:** Reading books together is a great way to spend some extra quality time with your children and an important component of reading development. Reading together builds vocabulary, helps develop a stronger sense of the world, encourages critical thinking, and can open a whole bunch of new interest areas. There are many ways to support your children with their [reading skills](#). Stay tuned for more tips and tricks to support your child with their reading!

Coming Up Quick!

- March 4 - Alberta Musical Theatre at 9:30 am in the gym - All Owl Families are welcome to attend
