## Did you know?

- **We are open for Registrations for the 2024-2025 School Year!** Have you registered your child for next year? Did you know you need to fill out the registration form yearly? Please head over to our website and register your Little Owl if you haven't done so already. The more numbers we know now, the better we can plan for the Fall. If you have any questions, please call into the office and we will be happy to help you out!
- **We are beginning a Reading Incentive Program!** Please check your emails for a letter that was sent home earlier this week. Let's read and earn those Owl Bucks!
- **We are starting the OWL R-A-P Program!** Ochre Park is offering an after school program that focuses on responsibility and curiosity through recreational games and art projects! If you are interested, please check your email for a letter that went home earlier this week.
- **We are blocking off our field parking.** Starting after Spring Break, the field/grass parking will be blocked off to maintain the grass and dirt. As our weather warms, the ground is getting chewed up from vehicles driving on it. Please use the driving loop to drop your child off and pick your child up at the end of the start and end of day. You can go around the loop as many times as needed. You are also welcome to park in front of the school on the far side of the chain link fence (on the same side as the main road) or in front of the green field along the road. Please **do not** park in front of our neighbours driveways. Thank you for your cooperation.
