## Volunteers Needed

Miss Elisabeth, our wonderful Nutrition Coordinator, is looking for some volunteers to help out in the mornings. If you are interested in volunteering your time, please reach out to her at [elisabeth.fokkema@sturgeon.ab.ca](mailto:elisabeth.fokkema@sturgeon.ab.ca) or call her at the school at 780-942-2901.

## Did you know?

**Alberta Education Curriculum:** Our wonderful teachers work tirelessly to ensure that each Little Owl works to their full potential. Alberta Education sets the curriculum that teachers cover for each grade. These outcomes are taught using a variety of teaching strategies. Teachers then compile data from their observations, conversations, and products to assess each Little Owl. Teachers then record each Little Owl's progress in Gradebook. This live gradebook is available for Owl Grown Ups to access through their Parent Portal. Please use the links below to check out the curriculum for each grade. The Parent Portal can be accessed by clicking on the blue rectangle below.

## OP Driving Loop

Please continue to use the driving loop to drop your child off and pick your child up at the start and end of the day. You can go around the loop as many times as needed. You are also welcome to park in front of the school on the far side of the chain link fence (on the same side as the main road) or in front of the green field along the road.

Thank you for your continued care and diligence in keeping all of our Owl Community safe at morning drop-off and after school pick-up, as well as refraining from parking in front of and blocking our neighbour's driveways.
