Reminder

We have some Little Owls arriving earlier and earlier to school in the morning. Our supervisors are out at **8:35 am** with the morning entry bell going at 8:40 am.

Please help us keep all of our Little Owls safe and adequately supervised in the morning.

Please do not drop your Little Owl off at school until 8:35 am.

OP Driving Loop

Please continue to use the driving loop to drop your child off and pick your child up at the start and end of the day. You can go around the loop as many times as needed. You are also welcome to park in front of the school on the far side of the chain link fence (on the same side as the main road) or in front of the green field along the road.

Thank you for your continued care and diligence in keeping all of our Owl Community safe at morning drop-off and after school pick-up, as well as refraining from parking in front of and blocking our neighbour's driveways.

Little Owls have the opportunity for three different contests!

1. Sturgeon Public School Division Holiday Card

Little Owls are invited to submit a drawing of a Christmas/holiday scene. One submission will be chosen per grade category and then reproduced for this year's holiday cards. Please note that this is not a class project - artwork should be done at home and submitted to the school.

Click the link [here](#) for more information.

2. Electronic Recycling Association: This contest encourages students to get creative and think critically about how they can help protect the environment by promoting e-waste recycling. In addition to fostering environmental awareness, the contest offers students the opportunity to win fantastic prizes, such as laptops, tablets, and gift cards, which can greatly benefit them or their families. All winning posters will be featured on the ERA website and social media platforms, providing national recognition for students' artwork.

Submission Deadline: Entries must be submitted by December 2024, unless the deadline is extended. You can find full details about the contest here: [Kids Contest](#)

3. Remembrance Day Poster Through the annual National Youth Remembrance Contests, Canadian youth and children are invited to honour Canada's Veterans, help perpetuate Remembrance and foster the tradition of Remembrance amongst Canadians through visual art, writing, and now video. This contest encourages students to create a colour or black and white poster on the theme of Remembrance. Please see [page 6](#) of the [link](#) for further information.
