A note about our upcoming Christmas Concert

We are so excited to welcome all of our Owl Grown Ups to our school on Thursday night for our wonderful Christmas Concert. We have come to learn that our Owl Grown Up cell phone signals interfere with our sound system. To be proactive, we are asking all Owl Grown Ups to turn their cell phones to airplane mode during our concert so we can hear all of our Little Owl's voices. We appreciate your cooperation in helping to make our concert a success!

OP Driving Loop

Please continue to use the driving loop to drop your child off and pick your child up at the start and end of the day. You can go around the loop as many times as needed. You are also welcome to park in front of the school on the far side of the chain link fence (on the same side as the main road) or in front of the green field along the road.

Thank you for your continued care and diligence in keeping all of our Owl Community safe at morning drop-off and after school pick-up, as well as refraining from parking in front of and blocking our neighbour's driveways.
